Subject: Your third promotion

You've been promoted to "Junior Room Planner", and we expect better results than your predecessor.

Your new responsibility is to set up the CCC rooms, not just place desks in storage. This is a critical role, as participants will need adequate space around the desks for seating.

Reply Forward

Desks are no longer allowed to touch each other. Diagonal connection also counts as touching

Desks are allowed to touch the walls

**For each room place the given number of desks in that room**

The given number of desks is the maximum number that is possible

It is no longer necessary to assign IDs to the desks
